

**All Austin Cooperative Nursery School**  
**COVID-19 Family Agreement**

**Please read each item below carefully and initial to indicate your agreement to adhere to these new policies and procedures. For our family to participate in the AACNS, we will do the following:**

- We will be mindful of health and safety guidelines recommended by the CDC (e.g., avoiding large gatherings, practicing physical distancing, wearing face masks, washing hands frequently, and covering coughs/sneezes) whenever we are out in public.
- Neither my child, nor any person bringing him/her to school, may come to school if they have been in close contact in the last fourteen (14) days with someone who has a confirmed case of COVID-19, someone who is under investigation for COVID-19, or someone who is ill with a respiratory illness.
- Neither my child, nor any person bringing him/her to school, may come to school if they have traveled internationally or domestically within the last fourteen (14) days from any area which is the subject of travel restrictions under applicable state and local guidance. A PCR test should be administered 7 days post travel, if negative the child can then return to school.
- I will take my/my child's temperature and check us for signs of illness before coming to school each day.
- I will bring my child to their designated drop-off location for staff to sign my child in and out daily.
- We may not bring extra items from home into the program. This includes toys and the storing of car seats and strollers. One lovey (e.g., a small stuffed animal or blanket) per child is welcome if needed.
- If my child shows signs of illness during care, a parent (or other authorized person) will pick my child up upon illness notification.
- The person dropping-off/picking-up my child must wait their turn to transfer my child in/out of the care of program staff, wear a mask, and practice proper physical distancing while on program premises.
- The person dropping off/picking up my child will thoroughly wash their hands (and in the morning, my child's hands) before coming to school.
- Only one adult is permitted per family during drop-off/pick-up.
- In addition to the policies listed above, our family will follow all health/safety procedures detailed in the COVID-19 Addendum to the AACNS Parent Handbook.
- I understand that all AACNS policies and procedures are subject to change per federal, state, other local authority, and program needs.
